

Great News, Bahamas!

If you have a computer and can point and click, you can view and download your National Insurance Contribution Statements directly from our new Registrants Self-Service site

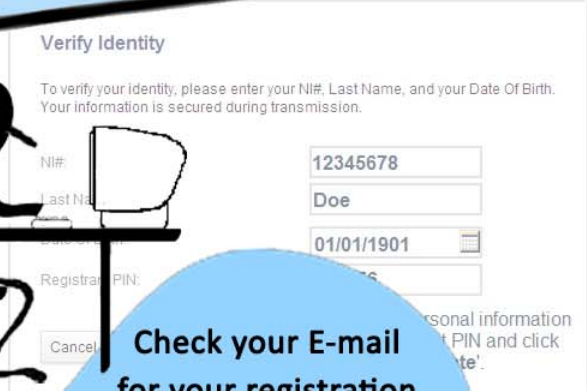

It's as easy as 1-2-3

Visit your nearest NIB Local Office and register for your NIB Online Self-Service Personal Identification Number (PIN)

Check your E-mail for your registration confirmation and PIN. The E-mail will direct you to NIB's Self-Service site

Create your personal account and sign in! Once signed in, you will have direct access to your personal information and your NIB Contribution Statement. Check your Statement and check it often
